**INDONESIA'S NATIONAL TREE PLANTING DAY, 28 NOVEMBER 2008**

The President of the Republic of Indonesia, Susilo Bambang Yudhoyono on November 28, 2008 will officially start national program of planting 100 million trees in Indonesia. This program is initiated as a reflection of Indonesia's leadership in global forestry.

This tree planting program is a continuation of the success and positive response shown by the community in Indonesia for the program of planting 79 million trees in the year 2007, which was conducted back to back with the Conference of the Parties-13 United Nations Frameworks Conference on Climate Change (COP-13 UNFCCC). This program also followed the success of the program to plant 10 million trees in Indonesia led by the wife of President, Mrs. Ani Yudhoyono.

The official ceremony for tree planting day in Indonesia on November 28, 2008 will be held in Lebak Region, Banten Province, West Java.
